**CIB World Building Congress 2019 – Constructing Smart Cities
Deadline for Abstract Submission **EXTENDED**
30 December, 2018
17-21 June, 2019, Hong Kong**

Extension of Full Paper Submission Deadline (ABSOLUTE).

The CIB World Building Congress 2019 Event Secretariat has received numerous requests from authors requesting an extension of the full paper submission deadline.

It has been decided by the Organising Committee to extend the full paper submission deadline from 15 December 2018 to **30 December 2018** at 00:00 HKT, UTC +8.

Any full paper submission must be preceded by an accepted abstract, for which the deadline for submission is well past.

It is hoped that participating authors will find this additional time useful for preparing quality papers. In order to responsibly meet the congress' necessarily tight schedule, kindly submit the full papers through http://www.wbc2019.hk/call_for_paper.html (subjected to an accepted abstract) on or before 30 December 2018 AT THE LATEST.

Meanwhile, registration to attend the congress as a guest is already open. Register NOW [here](#).
